FeuerTRUTZ NUMBERS SET NEW RECORD

FeuerTRUTZ is Europe's leading trade fair for fire safety professionals. It is the only exhibition that covers the entire range of passive, active and organisational fire protection solutions. And it is becoming more and more international: **275 exhibitors from 14 countries** welcomed more than **7,100 trade fair and congress visitors from 33 countries** to FeuerTRUTZ 2017.

Alongside high-calibre professional knowledge-sharing at the exhibition stands, the supporting program also offers plenty of opportunities for dialogue with visitors. Live demonstrations at the Fire Protection EXPERIENCE and targeted information sessions and professional development opportunities will provide additional inspiration at **FeuerTRUTZ 2018**, creating the ideal backdrop for you to successfully showcase your solutions to an international audience of industry professionals. So don't miss out!

We look forward to welcoming you!

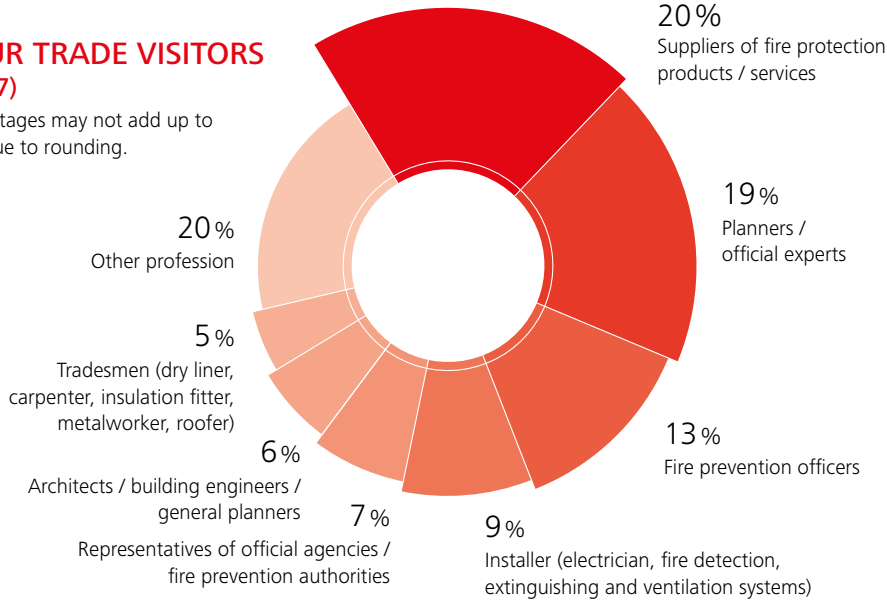

„We enjoyed yet another increase in visitors to our stand this year. The technical expertise of visitors to FeuerTRUTZ was even greater than in previous years and impressed us once again.“
